GoHealth Honored in Built In Chicago's Prestigious Best Places to Work List in 2020

January 13, 2020

Chicago, IL, January 13, 2020 — GoHealth today announced it was included on Built In Chicago's list of Best Places to Work in 2020. Companies are selected based on data submitted by companies and their employees.

"None of our success could have been possible without the incredible team at GoHealth," said co-founder and CEO Clint Jones. "We are proud of the lively, employee-driven culture at GoHealth and are thrilled to offer our team the benefits and support they need to thrive."

"Our team is truly GoHealth's top asset," added Brandon Cruz, co-founder and president of GoHealth. "To be repeatedly named a top place to work is an honor and motivates us to continue to invest in our employees' growth and well-being."

Maria Christopoulos Katris, CEO and Co-Founder of Built In, said: "We extend our heartfelt congratulations to our 2020 honorees. Built In aims to change lives by connecting talented tech professionals with jobs they were born to do. These companies have become part of that mission because they stand for more than just the work they're doing. They stand for their people and purpose."

She added: "We also extend our gratitude. These companies exemplify what it means to be an employer of choice for today's purpose-driven tech workforce. Writing about them inspires us daily and, in terms of our offering, gives us total confidence that the professionals who visit our websites will find work that gives them a strong sense of professional and personal meaning."

Built In's list rates companies algorithmically based on compensation data and employer benefits. Rank is determined by combining a company's score in each of these categories.

About GoHealth:

As a leading health insurance marketplace, GoHealth's mission is to improve access to healthcare in America. Enrolling in a health insurance plan can be confusing for customers, and the seemingly small differences between plans can lead to significant out-of-pocket costs or lack of access to critical medicines and even providers. GoHealth combines cutting-edge technology, data science and deep industry expertise to match customers with the healthcare policy and carrier that is best for them. Since its inception, GoHealth has enrolled millions of people in Medicare and individual and family plans.
