

## **GoHealth Named to the List of 2017 Best and Brightest Companies to Work For in the Nation**

December 18, 2017

**Chicago, IL (December 18, 2017)** – GoHealth, the leading health insurance technology and services platform, has been named one of the 2017 Best and Brightest Companies to Work For in the Nation. Earlier this year, GoHealth was also named one of Chicago's Best and Brightest Companies to Work For.

"We are thrilled to be included on such a prestigious list with some of the nation's top employers," said GoHealth President, Brandon Cruz. "Our success is hugely dependent on our employees, and we continue to foster an environment that puts them first."

Companies are evaluated based on multiple categories, including communication, work-life balance, employee education, diversity, recognition, retention, and more. In addition to the recognition and prestige, winners receive overall assessment reports, which include company-specific metrics.

### **About GoHealth:**

As a leading health insurance marketplace, GoHealth's mission is to improve access to healthcare in America. Enrolling in a health insurance plan can be confusing for customers, and the seemingly small differences between plans can lead to significant out-of-pocket costs or lack of access to critical medicines and even providers. GoHealth combines cutting-edge technology, data science and deep industry expertise to match customers with the healthcare policy and carrier that is best for them. Since its inception, GoHealth has enrolled millions of people in Medicare and individual and family plans.
