

## Chicago-Based GoHealth Opens New Office, Brings More Than 500 Jobs to Charlotte

October 20, 2016

**Chicago, IL (October 20, 2016)** – GoHealth, the leading health insurance technology and services platform, today announced the opening of its newest office in Charlotte, North Carolina. The office opening brings about 525 jobs to Charlotte during Open Enrollment, including licensed health insurance and Medicare agents. An estimated 100 more jobs are expected to come in 2017.

"We always strive to make the best business decisions for the success of GoHealth," said CEO, Clint Jones. "By opening this new office, we continue to invest in technology, our customers, and most importantly, our employees. We're excited to welcome everyone in Charlotte to the GoHealth family."

GoHealth chose this location "due to the impressive candidates in Charlotte and the neighboring community," according to Jones. The enthusiasm surrounding this project from the city and its leadership were instrumental in the success of GoHealth's new location.

"Charlotte continues to see immense economic growth, and GoHealth's choice to invest in North Carolina means even more opportunity for our talented residents," said the state's Insurance Commissioner, Wayne Goodwin. "I am thrilled to have GoHealth in North Carolina, and we look forward to even more growth in 2017."

GoHealth was recently included in the Top 100 Digital Companies, 101 Best Places to Work, and the Deloitte Technology Fast500, recognitions given for commitment to environmental and employee excellence.

### **About GoHealth:**

As a leading health insurance marketplace, GoHealth's mission is to improve access to healthcare in America. Enrolling in a health insurance plan can be confusing for customers, and the seemingly small differences between plans can lead to significant out-of-pocket costs or lack of access to critical medicines and even providers. GoHealth combines cutting-edge technology, data science and deep industry expertise to match customers with the healthcare policy and carrier that is best for them. Since its inception, GoHealth has enrolled millions of people in Medicare and individual and family plans.
