### Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On March 18, 2026, GoHealth, Inc. (the “Company”) received a written notice (the “Notice”) from the Listing Qualifications Department of The Nasdaq Stock Market LLC (“Nasdaq”) notifying the Company that it is not in compliance with Nasdaq Listing Rule 5550(b)(2), which requires listed companies on The Nasdaq Global Market to maintain a minimum market value of listed securities of \$35 million (the “MVLS Requirement”). The Notice also indicates that the Company does not meet the alternative continued listing standards set forth in Nasdaq Listing Rules 5550(b)(1) and 5550(b)(3), which require listed companies to maintain stockholders’ equity of at least \$2.5 million or net income from continuing operations of \$500,000 in the most recently completed fiscal year or in two of the three most recently completed fiscal years.

The Notice has no immediate effect on the listing or trading of the Company’s common stock, which will continue to trade on The Nasdaq Global Market under the symbol “GOCO”.

In accordance with Nasdaq Listing Rule 5810(c)(3)(C), the Company has been provided a compliance period of 180 calendar days, or until September 14, 2026 (the “Compliance Period”), to regain compliance with the MVLS Requirement. If at any time during the Compliance Period the Company’s market value of listed securities closes at \$35 million or more for a minimum of 10 consecutive business days (unless Nasdaq exercises its discretion to require a longer period, but generally no more than 20 consecutive business days), Nasdaq will provide written confirmation that the Company has regained compliance.

If the Company does not regain compliance during the Compliance Period, the Company expects that Nasdaq will provide written notice that the Company’s securities are subject to delisting. At that time, the Company may appeal Nasdaq’s determination to a Nasdaq Hearings Panel, which would stay any suspension or delisting action pending the conclusion of the hearing process.

The Company is evaluating options to regain compliance with the MVLS Requirement; however, there can be no assurance that the Company will be able to regain compliance with the applicable continued listing requirements.
